Dale Renz Takes Over As Chamber President

Over 75 business people attended the Chamber's AGM and President's Event on September 9th at 15 Wing.

Pictured at the right is Dale Renz from Conexus accepting the President's Gavel from outgoing president Darryl Pizio of Golden West Radio.

Also presented during the evening were tokens of appreciation to the three outgoing Chamber directors. They were Bonny Rossler, Rob Clark and Brian Mikuliak. Stepping into those three positions are Darcy McDonald from Zeke's Jewellers, Chris Aparicio of Rawlco Radio and Cathy Morrell representing Welcome Wagon.

Guest Speaker for the evening was Ken Cheveldayoff, Minister for Enterprise Saskatchewan. Who spoke on the growing business sector in Moose Jaw and the province.

Changes to Minimum Wage Board

The provincial government has appointed all new members to the province's Minimum Wage Board. The new Board replaces the previous Minimum Wage Board which in 2007 recommended that the province's minimum wage to be increased to the low-income cutoff with further annual increases tied to the rate of inflation. The new Board is required to conduct a review of the minimum wage and report back to government before the end of 2009.

The Minimum Wage Board is established under the Labour Standards Act and is responsible for making recommendations to government on minimum wage levels, rates of call out pay and rates employers can charge for room and board.
